

Douglas Eu

CEO Asia Pacific Allianz Global Investors

As CEO Asia Pacific, Douglas Eu is head of Allianz Global Investors' business in Asia Pacific and is a member of the Global Executive Committee. Douglas joined Allianz Global Investors in 2006 from JF Asset Management, where he spent a total of 19 years.

Starting out as a Hong Kong equity analyst, Douglas was appointed investment manager in 1991, initially focusing on Indonesian equities before becoming the market specialist for Greater China in 1992.

In 1997, he moved into business management with responsibility for some regional Asian businesses.

Prior to joining Allianz Global Investors, Douglas was Chief Executive of JF Funds Limited, a funds management subsidiary of JF Asset Management. Douglas possesses an A.B. in Economics from Vassar College, New York, and an M.Sc. in Business Studies from London Business School. He was appointed member of the Advisory Committee of the Securities and Futures Commission (SFC) in June 2007.
